# FACILITIES SUPPORT

## Total support for your facility needs

### PROVIDING YOUR BUSINESS WITH THE FACILITY SUPPORT IT NEEDS

A. James Global Services, Inc. is a multi-faceted total facility support firm specializing in building and dwelling construction and rehab, janitorial and grounds maintenance, administrative support, relocation management, and disaster management firm. We focus on effectively providing experienced professionals, end to end facilities support services. Our facility support services are designed to ensure exceptional quality, safety, and aesthetics for property owners while maximizing our clients' equity.

### A JAMES GLOBAL SERVICES, INC PROVIDES THE END TO END SOLUTIONS YOU NEED

When businesses need total facility support solutions, they look for companies that are knowledgeable, budget wise, experienced and can deliver timely results. It is for this reason we strive to set our services apart from industries standards.

- ✓ Our use of top rated mechanically engineered tools, yield optimum results, which in turn increases productivity while decreasing turnaround time and providing results efficiently.
- ✓ Our experienced, focused teams provide optimum turnaround time keeping project costs low and continuing productive growth.
- ✓ Our firm provides end to end facility support in order to, keep operation tasks on track and maintain projected budgets.

## Strategically designed facility solutions

With companies in mind, our firm wanted to provide solutions which addressed business owners concerns in maintaining and increasing property value and residents livability.

Our services were designed so that businesses could utilize support firm as a one stop shop to manage their facility needs.

A James Global Services, Inc. aims to stay ahead in an industry that is rapidly changing. It is for this reason, we ensure our staff is up to date on industry-specific and advancing technologies.

Our facility support staff are well versed in the simplest to the most advanced facility support tasks, and are able to assist at any phase, level or complexity of the project.

A. James Global Services, Inc. is knowledgeable in solving complicated support problems and working with our client to develop realistic and cost effective solutions.
