**A James Global Services Wins Awards from the Department of Agriculture (USDA)**  
***An 8(a) Certified Small Business Company***

**COLUMBIA, SC** (September 24, 2018) — A James Global Services, Inc. (AJGS), an 8(a) certified firm, has recently received two (2) contract awards from the Department of Agriculture (USDA) for the Agricultural Research Service, the U.S. Department of Agriculture's chief scientific in-house research agency. The Agricultural Research Service primary focus is finding solutions to agricultural problems that affect Americans every day from field to table. AJGS will provide construction, repair and alteration of the research laboratories and clinics building under the awards.

“We are excited to be selected to perform these construction projects for USDA,” said Dino A. James, President and CEO of A James Global Services, Inc.

**About A James Global Services, Inc.**

A James Global Services, Inc. a minority owned small business, is a multi-faceted total facility support firm specializing in building and dwelling construction rehab, janitorial and grounds maintenance, administrative support, relocation, and disaster management services for government and commercial clients. AJGS received its 8 (a) certification in 2017 from the Small Business Administration. A James Global Services, Inc. has a strong record of success in providing experienced professionals for end to end facilities support services, to ensure exceptional quality, safety, and aesthetics for commercial and government owners, while maximizing our clients' equity.
